MyoCycle Home Return Policy

The purchase of every MyoCycle Home FES Cycling Therapy System comes with a 60 day satisfaction guarantee. The party billed on the original invoice (“the Customer”) may, for any reason, return the MyoCycle Home to MYOLYN (“the Company”) within 60 days of the original ship date (“the Return Period”). It is the Customer’s responsibility for securely packaging and shipping the product to MYOLYN. Any damage to the device before the Company’s receipt of the returned product(s) is the Customer’s responsibility and the value of such damage will be deducted from the refunded amount. If the Company receives the returned product(s) within the Return Period, the Company will issue a refund to the Customer in the form of a check equal to the original purchase amount of the product(s) minus the value of any damage to the product(s). At the Customer’s request, the Company will arrange pickup, packaging, and return shipping of the returned products, if the service is available in the Customer’s location, and deduct the costs for this service from the refunded amount.
